## India Is Winning Continously

One of India's biggest selection debate in the T20 World Cup has been pertaining to picking their first-choice wicketkeeper. While India have been firm with their stance as they have continued to back Dinesh Karthik as their primary-choice, his non-performance in all the four games have led to a lot of criticism from veterans and experts who have questioned his selection over Rishabh Pant. Former Australia captain Ricky Ponting has been among them, who feels that Pant might have a bigger role to play in the backend of India's campaign.

## Winter Is Getting Started

It's time to take out the woolens from your wardrobes as Delhi-NCR has already recorded a minimum temperature of less than 10°C this season. While Gurugram's minimum temperature was 9.4°C today, Delhi's Safdarjung recorded a minimum temperature of 11.3°C. The Met department said that the temperatures are likely to dip further in a few days.
